

## ONLINE AUCTION 3rd – 5th November 2009.

**Viewing:** 2nd & 3rd November between 10am and 5pm.

**Viewing at:** DKB Household UK Ltd. 6, Launton Business Centre, Murdock Rd, Bicester, Oxfordshire, OX26 4PL

### Wood working machinery and associated equipment

#### Plant and Machinery

- 1 Ranheat wood burning system RHA250 1996  
Fully automatic hopper fed sawdust burner incorporating large ashcraft extraction system above.  
This system eliminates the handling of extraction bags. The cost of skips and with the warm air can reduce heating costs.
- 2 Ashcraft four bag enclosed extraction system.
- 3 Slingsby Flammable storage lockers 3 x 1.4m x 1.4m x 80cm and 1 x 1.2m x 60cm x 60cm
- 4 Pallet trucks x 2 2000 kg capacity
- 5 Dexion pallet storage racking 4 sects 2.8m long 4 m high
- 6 Dexion pallet storage racking 2 sects 3.5m long 4 m high
- 7 Intorex automatic block cutting saw MC100 no 430121 year 2001
- 8 Locatelli OMK 300 including borer UF 150-220/2006 Fully auto multi spindle turning & boring machine
- 9 Intorex long hole borer MY1000 2004 Max depth 500mm Max bore diameter 30mm
- 10 Fobco floor mounted pillar drill 3 Phase
- 11 Intorex CNX 600 lathe 2004 Fully automatic CNC copy lathe with shaping heads.max turning dia 250mm
- 12 Danckaert 12"dimension saw Fitted with regulation breaking system
- 13 Fell Double end borer Hand operated maximum bore depth 40cm
- 14 Vertical hole punch
- 15 10" Bench Grinder 3 Phase
- 16 8" Bench Grinder single Phase
- 17 Kerry engineering lathe 3 Phase Capacity 5,1/2"x 23" serial No 1262
- 18 10" floor mounted Grinder 3 Phase
- 19 6" Bench Grinder single Phase
- 20 Wadkin BGY Disc & belt sander
- 21 Fobco floor mounted pillar drill 3 Phase
- 22 Wadkin AGS 10" Saw bench Fitted with regulation breaking system
- 23 Hempel PD50 Sander Multi spindle automatic sander for turned components up to 500mm long 1978
- 24 Genini LAR90 Sander Multi spindle automatic sander for turned components up to 900mm long
- 25 Citroen Belingo van 2004 white 18500 miles ,Tax , M,O,T Feb 2010

- 26 Wadkin 6"BZL Wood turning lathe 3 phase (incomplete) No tailstock or tool rest
- 27 Wadkin 6"BZL Wood turning lathe 3 phase (incomplete) No tailstock or tool rest
- 28 Wadkin 6"BZL Wood turning lathe 3 phase (incomplete) No tool rest
- 29 Wadkin 6"BZL Wood turning lathe 3 phase (incomplete) No tool rest
- 30 Wadkin 6"BZL Wood turning lathe 3 phase (incomplete) No tool rest
- 31 Union Graduate Wood turning lathe 3 phase including tool rest and tailstock
- 32 Union Graduate Wood turning lathe 3 phase including tool rest and tailstock
- 33 HPC Compressor SM12 year of manufacture 2007 5211 hours. Max pressure 8.0 bar
- 34 HPC Compressor SK26 year of manufacture 1994 36000 hours max pressure 7.5 bar
- 35 Kaeser air drier TC36 year of manufacture 2008 max pressure 16 bar

### **Paint Shop**

- 36 1.5m x dry back Spray booth with filtered enclosure. aprox 4mx4mx2.5m high
- 37 Kremlin Cyclomix micro 2 pack paint mixing system incl 3 pumps, formerly used for mixing PU 2 pack laquer
- 38 Binks Bullows automatic rotary spray table 90cm diameter
- 39 1.5m Dry back spray booth 2m high
- 40 1.5m Dry back spray booth 2m high
- 41 Binks Bullows automatic rotary spray table 90cm diameter
- 42 1.5m Dry back spray booth 2m high
- 43 Binks Bullows automatic rotary spray table 90cm diameter
- 44 ITW Ransburg fast colour change system including 5 Binks pumps
- 45 Kent DR-150/2S two colour pad printing machine
- 46 26 Mobile spray shop component racks/trolleys
- 47 Vibrating bowl small component feeder
- 48 2 Air feed presses with safety buttons
- 49 2 Air intake fans with dust filter enclosures
- 50 2 Metal storage bins

### **Assembly Department**

- 51 Russell auto bowl fed foot operated screwdriver
- 52 Russell auto bowl fed foot operated screwdriver
- 53 Russell auto bowl fed foot operated screwdriver
- 54 Kerry Ultrasonic welder
- 55 All fill pellet filling machine - Previously used for pepper corns and course sea salt
- 56 Rolling racking for work station replenishment 2.5m high x 1.4m depth x 1.6m width
- 57 Rolling racking for work station replenishment 2.5m high x 1.4m depth x 1.6m width
- 58 Rolling racking for work station replenishment 2.5m high x 1.4m depth x 1.6m width
- 59 Component storage racking 3 bays 6ft high 6ft wide x 3ft deep
- 60 Component storage racking 3 bays 6ft high 6ft wide x 3ft deep
- 61 Stainless steel tables - various sizes
- 62 Conveyor with overhead return rollers variable speed single phase 3m long 50cm wide
- 63 Conveyor with overhead return rollers variable speed single phase 3m long 50cm wide
